[3-23-16 Utah Gov and Industry meeting U&O FIP.docx](#)

Hi there,

I am attaching two documents. One is talking points for Shaun and Q&As, the other is a collection of background documents that may be useful depending on where the conversation goes. Note, the background documents are scanned black and white in the attachment, however, I will make color copies for the team attending the meeting. Any input appreciated!

Take care,

Dee
